

A close-up portrait of a woman's face, focusing on her eyes, nose, and lips. She has dramatic, dark eye makeup and is wearing a vibrant, glossy maroon lipstick. Her hands are positioned near her face, with her fingers resting near her eyes and lips. Her fingernails are painted with a matching maroon color, featuring a shimmering, metallic finish. The background is plain white.

ELEMENTIS

**Performance Materials
Personal Care**

Elementis is a global specialty chemicals company that utilizes manufacturing technology and scientific innovation to deliver products that enhance the performance and value of our customers' products.

Innovation is the foundation upon which Elementis was created and is the force that drives us to achieve greater success for our company and for our customers.

Elementis is a leading global supplier of natural hectorite clay and provider of natural, biofunctional, and active ingredients for hair care, skin care, and anti-aging formulations.
